Oklahoma received an additional

\$32 million

in Child Care Development Funds

\$10.4 million

per month paid to providers supporting
local Oklahoma economies.

First to create a Quality Rating & Improvement System (QRIS) in 1998. 96% of child care payments are paid to a 2 or 3 Star facility.

Income eligibility was raised to the max federal level (85% state median income). Copayments are capped at 7% of the family income, decreasing copays for most families.

43,642 Oklahoma children utilized child care assistance in 2018.

Oklahoma increased provider payments from 39% up to 70%.

Over 11 million children under the age of 12 are in child care each day.
