

# WHO WE ARE & WHAT WE DO

Our mission is to do whatever it takes to make child care work for families, kids and providers. We are part of a network built for child care resource and referral services in Oklahoma. Our mission is to serve the state's child care providers, parents and kids. We equip parents with information on affordable child care options and provide training and resources to help providers better their businesses.

## We Serve Kids By:

Offering free referrals to parents seeking quality child care

Providing age appropriate books and learning materials, so kids can enjoy learning through creative play

Training providers to meet the individual needs of the children in their care

Serving as a community resource for parents and providers with the goal of creating healthier, happier kids!

Child Care Providers, Parents & Kids

## ➔ FOR PARENTS

Choosing the right child care is an important decision for any family. We give parents peace of mind by offering child care referrals in your community, geared toward your family's specific needs. Whether you're looking for an in-home daycare provider on a part-time basis or a full-time classroom setting with a structured curriculum, we can help you locate providers in your area.

## ➔ FOR PROVIDERS

Our child care providers want to be the best, and we help them do that. We offer trainings, on-site technical assistance, activity ideas, meal planning and health, safety and business support, making our child care providers some of the most trusted experts in the business. Whether you're new to child care or are an experienced provider, we can help elevate the experience you provide to the families you serve.

## ➔ FOR KIDS

Kids are at the heart of everything we do. From health and safety assistance to play activities that build healthy hearts and minds, we work with families and child care providers to create amazing experiences for Oklahoma kids. From our learning library, which provides educational, age-appropriate learning materials, to our low-cost classes for providers and parents, we are working to create safe, nurturing spaces kids love and parents trust.
